Dear Manager/Coach:

Thanks for volunteering your time with South Sound Baseball this season! We have a great program lined up for you. We hope to schedule early and mid-season tournaments for 10U and up, so watch our web page and check with your director. For most teams, the regular season will commence in early April, and will wrap up with an end of season tournament (a no cost benefit of playing in SSB). The regular season should be done by the time school gets out. Be sure and emphasize to your players the importance of staying available through the end of season tournament. All Star play will commence after conclusion of the regular season. This year, our annual *Night Out with the Rainiers* will be on Friday, June 3. We want to put a thousand players and parents in the stands, so be sure and make time for this great annual event. We will be updating you periodically during the season. Coaches are automatically registered for our newsletter (you can unsubscribe, but at least one coach per team should subscribe so that you can remain informed). Not everything goes in the newsletter, so be sure and visit us on the web frequently at www.southsoundbaseball.com. Our rules, policies, and lots of other great information are available there. If you have questions, check with your District Director.

In the meantime, here are some critical things you need to do so you can coach this season:

- Be sure and read about the required all coaches meeting below
- Read, sign, and return the coach version of the athlete concussion information sheet
- Read, sign and return the volunteer acknowledgement form

Return both forms in one of two ways:

Scan them and e-mail them (please choose a small file size under 500 kb)
c-n-e@ssbaseball.net

Send them by regular mail to:
