# South Sound Baseball League Rules

## Rules for all LEAGUES, unless otherwise specified

1. A player's league AGE is determined by the player's age on April 30, 2010.
  2. Bat the entire line-up (*except PONY & PALOMINO U. PONY & PALOMINO U has option to bat 9 or 10*).
  3. Unlimited substitutions on defense, except the pitcher's position. (Except COLT & PALOMINO, Substitutions are per PONY rules). Once a player is removed from the pitcher's position for any reason, that player may not return to the pitcher's position again during that same game.
  4. Players must play on defense half of the innings in a game (rounded down) (Except COLT & PALOMINO, Substitutions are per Pony Rules), i.e. Players must play 3 innings of defense in a 7 inning. Violations of this rule will result in forfeiture of game. Injured players not able to meet this requirement will be deemed medically unfit to play by SSB standards. Teams are not forced to forfeit when failure to meet this requirement is a direct result of an injury. Teams are not forced to forfeit when failure to meet this requirement is a direct result of disciplinary actions by the manager provided the umpire-in-chief AND the opposing manager are informed of the disciplinary action at the time it is imposed.
  5. New pitchers, upon taking the pitcher's position at the beginning of each half inning, shall be permitted 8 preparatory pitches. Pitchers returning to pitch another inning shall be permitted 5 preparatory pitches. In no case shall the preparatory pitches take more than 1 minute.
  6. The minimum number of players required to play defense is eight (8) players (Except Shetland - 5 players).
  7. Late arriving players may be inserted at the end of the line-up prior to the 5<sup>th</sup> inning for Bronco, Pony, & COLT & PALOMINO and prior to the 4<sup>th</sup> inning for Mustang and prior to the 3<sup>rd</sup> inning for Shetland & Pinto.
  8. An ejected player's position in the batting order will be marked as an automatic out (*Except when batting 9 or 10. Substitutions are per PONY rules. There is no automatic out when batting 9 or 10*). An ejected player is the only automatic out in SSB. If, as a result of an ejection, a team falls below the minimum number of players required to play defense, said team forfeits the game. A player who is disqualified from a contest by an umpire is considered an ejected player for the purpose of this rule. See SSB Policies & Procedures.
  9. Coaches and umpires will have a pre-game conference before each game to go over the ground rules specific for each field, *exchange batters' line-ups, exchange pitchers' innings limitations*, and to clarify rules in question before play begins (See SSB Policies & Procedures).
  10. Coaches & Umpire-in-Chiefs will sign the scorebooks in ink after verifying in ink the score and the number of innings pitched for each pitcher.
  11. The number of innings required for an official game must be completed before any time limit is applied. Once a game becomes official, no new inning will start after the time limit has been reached. Otherwise, play continues until an official game has been completed. Any inning started shall be completed. The umpire-in-chief will announce the official start time to the official score keeper prior to the first pitch.
    - a. An official SHETLAND game is 1 inning. \_\_\_\_\_ A regulation SHETLAND game is 6 innings.
    - b. An official PINTO game is 2 complete innings. \_\_\_\_\_ A regulation PINTO game is 6 innings.
    - c. An official MUSTANG game is 4 complete innings. \_\_\_\_\_ A regulation MUSTANG game is 6 innings.
    - d. An official BRONCO is 5 complete innings. \_\_\_\_\_ A regulation BRONCO game is 7 innings.
    - e. An official PONY game is 5 complete innings. \_\_\_\_\_ A regulation PONY game is 7 innings.
    - f. An official COLT & PALOMINO game is 5 innings. \_\_\_\_\_ A regulation COLT & PALOMINO game is 7 innings.
  12. Extra innings (i.e. the 8<sup>th</sup> inning in a BRONCO game) may be started in a tie game provided the time limit hasn't expired, otherwise it is acceptable for a regular season game to end in a tie.
  13. 10 run rule in effect after the:
    - a. 4<sup>th</sup> inning for PINTO & MUSTANG.
    - b. 5<sup>th</sup> inning for BRONCO, PONY, & COLT & PALOMINO.
  14. 15 run rule in effect after the:
    - a. 3<sup>rd</sup> inning for PINTO & MUSTANG.
    - b. 4<sup>th</sup> inning for BRONCO, PONY, & COLT & PALOMINO.A game terminated because of this rule is considered an official game for rule 11.
  15. Inning length for:
    - a. SHETLAND is after each batter on a team has had an AB.
    - b. PINTO is 3 outs or 3 runs scored.
    - c. MUSTANG is 3 outs or 5 runs scored through the 4<sup>th</sup> inning, otherwise, 3 outs.
    - d. BRONCO is 3 outs or 6 runs scored, through the 4<sup>th</sup> inning, otherwise, 3 outs.
    - e. PONY is 3 outs.
    - f. COLT & PALOMINO is 3 outs.
  16. No head first slides (except Palomino U), except *a dive* to return to a base whether it's for a pickoff attempt or an over-run base. Base-runner will be ruled out for failure to comply with this rule
  17. A Safety Base is optional. When a Safety Base is in use, it shall be positioned such that the white portion is located where First Base would normally be (in Fair Territory) and the colored portion (red or orange) should be in Foul Territory. Any Batted Ball hitting the white portion is fair and any Batted Ball hitting the red or orange portion is foul. On the initial throw to First Base from the infield or outfield, the Batter-runner MUST TOUCH the red or orange portion of the base but not the white. If legally appealed by the Defense during a live ball situation, the Runner will be called out if the runner touched the white portion but not the orange portion of the base. The defensive Player MUST always touch the white portion. This rule is in effect only on the initial play at First Base. This does not include:
    - a. Returning to the base after over running,
    - b. Running on a base hit to the outfield (Runner may touch the orange or white part), or
    - c. Re-tag to advance on a fly ball.
- Note: If the Base-Runner uses the orange portion at any time after the first attempt at First Base and is not in contact with the white portion, then he is considered off the base.
18. All attempts must be made to slide and/or avoid contact.
    - a. Incidental contact occurs in baseball. However, an obvious lack of effort to slide and/or avoid contact may cause the base-runner to be ruled out, if in the umpires' judgment said lack of effort causes contact.
    - b. Flagrant and/or intentional contact will result in an ejection of the offending player.
  19. There will be one team warning on a thrown bat, after which, the following penalty will apply: Delayed dead-ball play. The defensive team may elect to accept the result of the play or have the batter-runner ruled out and all base-runners returned to the base occupied at the time of the pitch.
  20. No courtesy base-runners allowed except for an injured player. (*Except when batting 9 or 10, Substitutions are per Pony Rules*).
  21. Each team must supply one new game ball for each game when both teams are SSB teams. The home team provides two new game balls for each INTER-LOCK game. Hard balls need to have a leather (not synthetic) cover.
  22. The winning team is responsible for reporting the game's results to the league statistician (the procedure and contact information is posted at [www.southsoundbaseball.org](http://www.southsoundbaseball.org)). Failure to do so within 3 days of the completion of the game will result in the game being recorded as a tie. SHETLAND game results are not reported.
  23. The home team is responsible for reporting a game cancellation. The procedure is posted at [www.southsoundbaseball.org](http://www.southsoundbaseball.org). Only weather related cancellations will be rescheduled.
  24. Interlock game results (games against non-SSB teams) are applied to league standings.
  25. Interlock games will be played under the home team's league rules.
  26. SSB Tournament rules are to be published prior to any tournaments.

### Rules specific for the SHETLAND LEAGUE
